Brethren,

Elections have once again passed and we have a new officer line that is eager to hit the ground running this year. Sadly, our Worshipful Master, John Tinnel, had a stroke the week after elections so I'm writing in his stead.

WM John is recovering wonderfully and will be back in the Oriental chair before we know it. Until his return the officers of Apache Lodge will work diligently at following the Masters plan for the year as well as his budget. We also have been actively seeking his advise with lodge matters and following his will and pleasure; and will continue to do so. Please keep brother John in all your prayers.

We are excited about the year to come and all the wonderful things we will achieve as a lodge. If you haven't been to lodge in a while, please do come, I'm sure you will enjoy it.

See you in Lodge,
Jody Murphy
Acting Worshipful Master

Brethren,

... from the South

Brethren, it is with great pleasure and joy that I wish you a wonderful New Year filled with happiness and fun. Another year is coming with lots of hopes and expectations for Apache Lodge No. 69.

May all our goals in the coming year be fulfilled. Get ready for a new beginning that will bring us a lot of challenges. Challenges that will make us grow as a Lodge and as individuals.

May each and every day of the New Year bring us lots of happiness, luck, prosperity and love. May the coming new year bless us with victory and success on everything we do.

Happy New Year to you and your families.

Fraternally,
Ross Carballo
Junior Warden

The Companions of Damascus Chapter No. 21, Royal Arch Masons, Mesa Council No. 15, Cryptic Masons, and the Knights of Apache Commandery No. 16 Knights Templar, wish all our Brethren and their families a healthy and prosperous New Year.

As you look at various Masonic documents and implements from around the world, you may have noticed strangely shaped letters that to some folks look like Hebrew. Chances are it's not Hebrew but rather a secret Masonic writing. The ritual use of this writing and how to code and decode it are one of the many things taught in Royal Arch Masonry.

The next Royal Arch Degrees will be in March, 2014. If you want to know the secret code and are a Master Mason you must first petition to join Royal Arch Masonry.

I hope to see all our companions on the 2nd Wednesday of each Month at 726 North Center Street in Mesa for our dinner at 6:15pm followed by meetings at 7:30pm.

Brothers,

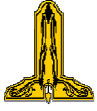

I hope everyone's new year is a prosperous one.

Please take a moment to look at your Apache Lodge No.69 membership card. If doesn't have 2014 for the year on it, then we need to remedy that.

I know the holidays can drain the checking account, however, your Lodge needs to continue supporting education, charities, crisis centers and Brothers in need.

The income from membership dues is needed from each Brother in order to support these efforts. Support your Lodge by paying your dues.

Fraternally,
John Sheets
Secretary

Brethren,

... from the West

Free Masonry is a progressive moral science taught by degrees, as I am sure you have heard. It is great that so many of the candidates for the various degrees in Apache Lodge have memorized the Gatechism and Obligations. I think they will be better Masons and better men now that they have that knowledge. But, knowledge without application is a waste of your time. Tools are made to be used. We are given the working tools in each Degree. Those tools are there for us to use. We must truly "Master" their use to claim the Title of Master Mason.

One of those tools is the 24 inch gage by which we are taught to divide our time. Free Masons were one of the first thinkers to consider "Time Management" an important area in the life of a man. We are taught to use our time prudentially and not just for ourselves. It is one of the first lessons in service to our Brethren and our fellow men. That is, taking a portion of our time for others.

As we mark the time of a New Year and plan for the future, let us resolve to take time for others. We hope that you and your family are prosperous and healthy in this coming year of 6014 Anno Lucis and 2544 Anno Inventionis.

Fraternally,
Mac McClintock, KITH
Acting Senior Warden
