

...from the East

Brethren,

We are Freemasons and keenly interested in the concerns of our Craft but we must not lose sight of the fact that we are also citizens of the world. As we strive to understand what we must do to build a better Lodge, so we must by the teachings of our Craft, strive to build a better world. We must guard against innovations which cloud the true picture of our Order and its mission. Freemasonry has a mission and we must see to it that nothing is allowed to enter or become part of Freemasonry that would detract from the carrying out of that mission.

We should strive for a membership of worthy men who are endowed with a sense of responsibility and high ideals. Men of courage who will draw aside the veil of worldly innovations and see that true pathway which leads to the practice of virtue, honor and brotherly love. Let us therefore go forward together, looking beyond the narrow sphere of our own personal attainments and see the broad expanse of unexplored paths leading onwards and upward in our never ending search for Truth, so that by the lives we live, the leadership we administer, and instruction we impart, we shall make our great fraternity stronger.

... from the South

Brethren,

Happy holidays to all Brothers from the South, no matter if your in sunny Apache Junction Arizona or other part of the world. All of us can make changes for the good of both our families and the craft.

This year we can lead with a simple helping hand when a Brother needs comfort, and help him in his learning, and showing him the brighter lights that are passed down from one generation to the next. We can make great things happen together by a simple handshake and a simple conversation. By learning more about our self and others, we can grow together.

Our families come first and many blessings to them all. Let us all have a great year and set great goals for 2015.

See you in Lodge!

Brothers,

I hope everyone's new year is a prosperous one.

Please take a moment to look at your Apache Lodge No.69 membership card. If doesn't have 2015 for the year on it, then we need to remedy that.

I know the holidays can drain the checking account, however, your Lodge needs to continue supporting education, charities, crisis centers and Brothers in need.

The income from membership dues is needed from each Brother in order to support these efforts. Support your Lodge by paying your dues.

Brethren,

... from the West

Wishing you and your family to have never ending Happiness and Prosperity - May this New Year bring new light and new hope. May your Masonic journey always bring many memorable times. God bless you with Love and Care. Happy New Year to you and your loved ones!!!

On a side note - let's take time to reflect on how we would like to engage in our Lodge Activities. Aside from continuing education and ritual training, we can start on team competitions such as Chess, Billiards, Darts and Shooting. Fun activities to further promote brotherhood, teamwork and camaraderie. I will team up with Bro. Ed to generate an education/training plan and will work with the officers on how we can initiate the team competitions. Hopefully, these activities will help our lodge attract and retain new members.

Fraternally,
Ross Carballo
Senior Warden
