Greetings Brethren,

What a great year it has been so far! Apache Lodge has performed several degrees and our ritual is better than ever. I am so pleased to see so many members attending every week and staying for the entire degree!

Our officers this year are performing ritual to a standard I never thought possible. If you haven't been to lodge lately I encourage you to stop by and see the Craft at work. You will be impressed.

Thank you to all the officers and every member of Apache Lodge for starting us off with such a great year and demonstrating the meaning of fellowship.

See you in Lodge,
Jody Murphy
Acting Worshipful Master

Brothers,

Please take a moment and look at your Apache Lodge No.69 membership card. If doesn't have 2014 for the year on it, then we need to remedy that.

The income from membership dues is needed from each Brother in order to support the efforts of your Lodge. Support your Lodge by paying your dues.

Fraternally,
John Sheets

Brethren,

... from the South

There has been a lot of activities in and out of the Lodge, involving our rituals (making better men out of good ones), charities and our assets. I wish I could have participated in more of those activities. I also noticed some very active and vocal exchanges amongst the brethren which is healthy provided that we focus on the issues and not the brethren.

Looking forward, let's ensure that harmony prevails within the lodge by respecting each other and extending brotherly love by trying to understand each other. Let us resolve issues and not attack each other to avoid disharmony within the Lodge. Please remember that all of us are trying to do what is best for the Lodge so we should not pass judgment on each other and second guess the motive for each other's actions.

Let us give each other the benefit of the doubt and if we need more, let's open a dialogue with all concerned. Let peace and harmony prevail!

Hope to see you all soon,
Ross Carballo
Junior Warden
