

*...from the East*

Brethren,

As summer is winding down and officers are getting proficient for the next year, I'd like to invite you to come back to the lodge and get involved again. Our monthly BBQ's will be starting again in September and the Education Committee has some really great education nights planned, some which will include the whole family.

We also have a joint fundraiser with Oriental Lodge No.20 planned that will be a lot of fun. So please come and participate, there is something for everyone.

See you in Lodge,  
**Jody Murphy**  
Worshipful Master

*... from the South*

Brethren,

We have grown to show others what we are really made up of trust, fairness, respect, and responsibility. We build our buildings made up of others, who influences us in our decisions. We pick and choose from our brothers all the solid advice and thoughts to help us through any misfortunes. This is why I am proud to be associated with Apache Lodge 69. We are not only great in Brotherly Love, but also in helping others who are distressed, who might one day join our fraternity. Stay cool my brother stay out of this extreme heat. Let us all enjoy our road of life together, and cross those roads together. WE will warn all brothers of all the dangers to protect all brothers who have gone this way before. We have to remember we do not travel alone, and your brothers hand is there to pick you up if we should fall. I love having the opportunity of growing each and every day. Stay cool and stay out of the South where the sun is intense during this season. Stay cool and drink plenty of water.

Brothers,

Thank you to those of you who have stepped up and paid your dues for 2015. It is greatly appreciated. However, there are still a few of you who need to pay your dues.

Please take a moment to look at your Apache Lodge No.69 membership card. If doesn't have 2015 for the year on it, then we need to remedy that. (This year the cards are green.)

Remember to check out [www.apachelodge69.com](http://www.apachelodge69.com) for a regular update of events. If you click on 'Events' and then select 'Calendar' you will see a listing of all the events going on at the Mesa Masonic Center.

Whenever a Brother of Apache Lodge is honored in other Masonic or Civic organizations it brings additional honor to our Lodge. Our congratulations go to Worshipful Brother Bill Greenen for his election as Most Illustrious Grand Master of Cryptic Masons of Arizona.

All Master Masons should plan now on bringing their wives or significant others to the annual Knight Templar Ball at the Shrine on November 7th. Please check the Grand York Rite Web Site regularly at [www.azyr.org](http://www.azyr.org) for information and Calendar of events!

... *from the West*

I came across a passage of scripture wherein it is written:

"It would be easier for a camel to go through an eye of a needle than for a rich man to enter the kingdom of heaven".

This reminded me of one of the forms and ceremonies during our EA Degree initiation wherein we were caused to be neither naked nor clad because Masonry regards no man on account of his worldly wealth or honors - that it is the internal and not the external requirements that qualifies a man to be made a Mason.

Similar to the requirements to enter our Fraternity, the Supreme Architect of the Universe expects no material things to be your merits to enter the Celestial Lodge above where He reigns but rather keeping our passions within due bounds toward all mankind, circumscribing our desires, giving charity, being good and true, and spreading brotherly love. This tells me that if you are a good Mason, wholeheartedly following our obligations, then you are a step ahead into entering that spiritual building eternal in the heavens.

... *from the Widows Sons*

Greetings Brothers!

The Widows Sons Masonic Riders Association in AZ has now shifted from a Single-Chapter Grand chapter system to a council consisting of delegates from Chapters throughout the State. This was done in order to promote Chapter cohesion and fellowship. This new system does not change the functions of any Widows Sons Chapter, but makes governance easier. Ask any member you bump into for information on how to join a Chapter. Ride safe, and keep the rubber to the road!
