

...from the East

Greeting Brethren,

Things are moving along splendidly for Apache Lodge. We initiated three new brothers into the fraternity in January and look to continue that trend in February. Let's keep up the trend and communicate with all good men to let them know that the Fraternity has something to offer them.

February is going to be the inaugural month for our dance season! Every other Friday in the months of February, March and April, we will have a dance instructor at the lodge to teach various dance types from 6:00pm - 7:30pm. February will be basic Latin dance (also known as Salsa). March and April are up for grabs and we will be soliciting votes from the attendees to determine what other styles of dance we want to be taught. In an effort to defray the cost of instruction, we will be asking for a donation of \$10 per couple or \$5 per individual. This instruction is open to everyone; friends, family, and invitees. Let's get the word out and have a good showing at lodge starting in February 6th.

Remember to check out [www.ApacheLodge69.com](http://www.ApacheLodge69.com) for a regular update of events. If you click on 'Events' and then select 'calendar' you will see a listing of all the events going on in the Mesa Masonic Center. In addition, if you have any questions or need clarification, please feel free to contact me at [wmaster@apachelodge69.com](mailto:wmaster@apachelodge69.com) give me a call at 480.540.8574

Fraternally,

....gleaning from the South

Greetings Brethren,

We are again having a light snack at all of our Special meetings. My Stewards extend to you a cordial invitation to join us for this fellowship. Proficiency in the lecture of the degrees is taking place on Thursday at 6pm. Everyone is invited to sit in and listen to the teaching of WB Hughes. This is also a wonderful time to meet and get to know our newly obligated Brothers.

**The dinner for our Stated Meeting starts at 6:15pm.**

Fraternal Regards,

Your table is waiting

February 12th

“...to those who give us heritage”

Bethel 13 kicked off the New Year with an outstanding installation on January 10th. We got to enjoy a great breakfast provided to us by the Masons of Apache Lodge No. 69 and Oriental Lodge No. 20. Our next event was the campout in Prescott the 23-25 of January. Come and see the pictures....

Our next meeting is February 14th (Valentine's Day). So, if you would like to come and see us in our first meeting we would love to have you with us. We love sideliners.

Bethel 13 sends much thanks to all of the people from all organizations that support the Bethel! We send a special thank you to Mr. Hughes and Mr. Lambert for hosting our installation and helping us out, and to all the Masons who made our awesome breakfast.

Jobie Hugs,

...from the West

Brethren,

I have been absent much of January. I have now returned from the East coast and the business of settling my mother's estate. I want to thank all of you for your prayers and cards during this trying time for the McClintock family.

I am looking forward to returning to be among the Brethren.

“MAC”, PM  
Senior Warden

Brethren,

Membership is rising. We are moving in a positive direction. We now have 142 members, up from low of 131. The new year looks bright. It would be even brighter if everyone would send in their dues.

If our dues card does not indicate 2009, you dues are late. We need your dues for our daily operations, and if you have not sent them in, you are delinquent. This means your travels are restricted. Please pay them now.

Fraternally,  
Jeff Kennedy, PM  
Secretary

Pocket Encyclopedia of Masonic Symbols  
The Masonic Service Association

This is a series of articles on Masonic Symbols. It is hoped to bring further light to your Masonic education.

**THE FIVE POINTS OF FELLOWSHIP**

Symbol of building; of completion.

Ancient builders laid out the position of any structure with square corners from the center; thus the building was "erected upon five points." The pent alpha, or five pointed star, symbol of the five points, is a diagrammatic representation of a man—two arms, two legs, a head.

A symbol may be of something different than what the symbol teaches; thus the Five Points, symbolizing the completion of a building (a "making") teach the essentials of brotherhood; the forty-seventh problem, a symbol of geometry and exact science, teaches a love of learning.
