"...to those who give us heritage"

Happy New Year! We hope that you all had a happy holiday season. Thank you to those of you that donated wrapping paper and supplies and a special thank you to Jim Hughes for helping us wrap at our first gift wrapping booth at AZ Mills Mall !!! Also, a great BIG thank you to all of the Masons that sponsored a Jobie to go to Camp. Your generous donation is very much appreciated and will allow our girls to make some special winter memories when we go to Prescott, January 22-24 with the other Jobies of AZ. **Our 108th Installation of officers is on January 16th at 1:00 at Oriental Lodge.** There will be a formal reception and dance immediately following so please bring your dance shoes and join us in celebrating our wonderful daughters. The DJ promises to mix up the music so we can all dance and have a great time. As Bethel Guardian, it's my goal to help build relationships between Job's Daughters and all our Masonic Organizations. I come from a very rich Masonic heritage family background and believe that we will all gain more if we work together, support each other and build relationships with each other. We would love to have as many organizations represented as possible at our installation and at our meetings through out the year. We meet on the 1st and 3rd Fridays **Jobie Hugs**, Connie Hasler, Bethel Guardian...Bethel 13

SAVE THIS DATE! Our Bethel Installation of Officers is **Saturday, January 16th at 1:00 PM**

Brethren,

...from the West

With the beginning of a new year so shall we begin a new adventure. The major change in our successful program will be the meeting on the first Thursday of each month. This night's meeting will be devoted to ritual, training and protocol. With many new members joining us these activities are needed as a part of our growth process. This night of information is open to all. Come and join us, there might be something you didn't know and can find out at these meetings.

I want to thank WBs Jeff Cutler and Carlyle Brown for assisting in the coaching of our candidates. It is vital to the fraternity that all candidates receive a strong foundation when going through the degrees. You can assist in their development. We still need several others coaches...any takers? Call me.

Fraternally,

Jim Hughes, PM

Senior Warden

....miscellaneous ramblings

The new year bring with it the ever popular resolutions. Which ones are you making that will not hold or stand the test of time? From the prospective of the Lodge it is hoped that all of the Brothers will attempted to attend meetings more often.

There is so much going on that pure curiosity should draw you through the door. The degree activity alone will bring back memories to every Brother's of his time going through the degrees.

The fellowship of the Stated meetings dinners is another treat that should be considered when you plan your monthly calendar. Ann, Carlos and the Jobs Daughters are doing their best to bring you a great meal, and they are succeeding. Look below and see the treats waiting you this month. Come and enjoy it!
