

Brethren,

If you are reading this then I have already returned to my rightful place in the West to assist the Worshipful Master in opening and closing his Lodge. Our newly elected Master (WB Dennis DuVan) will preside in the East for the rest of 2011. I am extremely grateful for all of the love and support that I have received during my time as Acting Master, and the wise council from our more learned Worshipful Brothers while attending to the affairs of Apache Lodge. Our Lodge is full of life and has a bright future, with the new building in Apache Junction and a growing membership of young, talented Masons. I feel that this is a great opportunity for us (as it is for any Lodge that builds their own Temple) to emulate those esteemed craftsmen who wrought at the Great Temple in Jerusalem. This is a once in a life time chance to involute the lessons that our Ancient Brethren drew from operative uses of planning and building a sound structure to the speculative application of spiritual and moral soundness, by returning to operative labor with a focus on Brotherly Love. Let us also not suffer any envy, discord nor confusion to interrupt or disturb the peace and good fellowship which should prevail among workmen.

See you in Lodge,
WB Douglas Berry Senior Warden

— East Mesa York Rite —

Congratulations for our newly installed Officers. With a theme of “...Meeting the Challenge” everyone is excited about the bright future of the East Mesa York Rite. Little time was wasted by Apache Commandery in accepting two requests for the “Arc of Steel” to be preformed at the installation of Bethel No. 13 and Honored Queen, Destiny Lesko, June 11; and for Sarah Hasler, Grand Bethel Honored Queen-elect at her installation on June 25th. There is equal excitement in the Council and Chapter as both are preparing interesting educational series and planning for several degrees over the Summer.

Brothers,
If know your address is going to change, PLEASE call or e-mail your CORRECT address to our Secretary so that we may get the Trestle Board to you in a correct and timely manner. The returned Trestle Boards do cost the Lodge money, and month after month we can save A LOT by making sure our mailing list is accurate. Thank You.

Restoration plans for our NEW Lodge building are moving forward. Your Board of Trustees is putting a lot of extra hours and effort in to making this happen. Brother Shane Murphy is now heading up our Fund Raising Committee. If any Brother has any ideas or experience in that area, Brother Shane would greatly appreciate any and all help. Please give him a call at (480) 209-0517.

Bethel No. 13 would like to thank everyone who supported our bake sale fundraiser held on May 3rd. The bake sale was Laura Smith's line officer project. We raised \$264.00. The money is going to be used to tune the piano in the lodge room and buy any parts which may be needed. A big thank you also goes everyone who supported our Purple Pages fundraiser. 60% of the money earned from Purple Page ad sales goes directly to help pay our way to Grand Session which we will be attending the third week-end of June.

We hope to see you on May 20th when we will be passing out programs and performing a closing cross for the Amaranth installation. The Bethel will hold our installation on June 11th at 7pm. We'd like to invite everyone to please come and support us. It is a beautiful ceremony and we appreciate having visitors.

Jobie Love,

Greetings Brethren!

May was a great month for Bone Box Five. We had an overnight run to Flagstaff and met up with the Wayfarers' chapter of Widows Sons and had a barbeque at bro. Bergeron's parents' house. The Wayfarers were kind enough to give us a tour of their home lodge, Flagstaff #7, and joined us back at the Bergeron's for a bonfire and fellowship. Scheduled for June is our first mandatory ride of the year. We will be heading up to Globe to enjoy some fellowship with our brethren from White Mountain Lodge #3. This will be a day trip, and we would love to have you with us! If you don't have a motorcycle, but would still like to help out, we always have a need for someone to pull our flatbed as a chase vehicle. If you have a motorcycle of 500cc's or more, and would like to have someone to ride with, consider joining the Widows Sons! We would love to have you riding with us!! Keep your face in the wind, and the shiny side up!
