Greeting Brethren and Friends,

Apache Lodge is moving into 2009 in fine fashion. February was our inaugural month of "Dancing with the Masons" and proved to be quite enjoyable and a quality learning experience. While 'Salsa-style' dancing was quite a hit for February, in March we're going to slow it down a bit and do some waltzing. So, polish up those dancin' shoes and come join us March 6th and 20th for some quality time among family and friends, and let's learn how to dance.

We're also trying some new things in the Lodge. Our ritual work is an integral part of our Masonic heritage. Consequently, it is important that we keep it interesting and endeavor to be as inclusive as possible to all of our Brethren during the conferral of degrees. So, the Brethren have agreed to try something new that should prove fun and educational for those wishing to participate and especially for those wanting to progress up the officers' line. If you'd like to learn more about what we're doing? Visit us at the lodge on a Thursday night, and we'll show you what we're doing.

Now, some of you may have difficulty in making it to lodge for one reason or another. However, it should be known that we have an Apache Lodge ride program in place get you there. If you would like to participate as either a driver or if you are in need of assistance in getting to Lodge, feel free to contact either WB Richard Cain (480) 244-3352 or me at (480) 218-8819 and we'll be sure to include you in this program.

Keep up the good work, and I look forward to seeing you all at the Stated meeting. Also, don't forget to check out our website at www.apachelodge69.com to see the latest events and updates.

Greetings Brethren,

My Brothers for those were not at the Stated meeting on Feb 12th missed a great dinner cooked by Jim and Ann. Who had the best chili? I for one could not say, both were great!

We have the Jobs Daughters serving us all of the time; but, this night we served them. It was great. It was an honor for the Brethren to show our Masonic daughters just how much we care.

Doubly great was the showing made by the sideliners, they were awesome.

We will try serving a boiled dinner for the month of March.

Fraternal Regards,

Doug Skowron

Brethren, there is value I being a part of your Lodge and in being a Freemason. Collectively, we are friends to those of our membership in need in these difficult times. Maybe, that's just being there to share in the trials and tribulations that are a part of life. Maybe it's to help share in the happiness of a marriage or the birth of a Brother's child. The important thing is that we are there. We want each of you to be a part. Even if you haven't been to Lodge in years, we want to see you. We want to share the Brotherhood with you. Know you have a friend at your Lodge.

Collectively, we influence our community for good. For over 27 years the Brethren have given to one particular local charity in a continuing effort begun by our Honorary Past Master Joe Scarborough. Most recently we have started a small fund to help defray the cost of education for those members and direct families of members that want a higher education.

Our new officers have started the effort to be more inclusive with the Brethren in the performance of our degree rituals. In that it is the responsibility of the Brethren in total to initiate, pass and raise Master Masons. This effort has the support of Past Grand Lodge officers and their keen interests. Come and take a part. Share with us the joys and strengths of your Fraternity.

We'd love to break bread with you and bring a friend.

Fraternally,

"Mac" McClintock
