Greetings Brethren,

Happy New Year! I hope and pray the Great Architect of the Universe will shower us with the continual dew of His blessing, and impart His grace to make us prosper this year, continue to protect us and our families and help us to maintain the harmony and friendship we enjoy in our lodge. I am so proud to be the Master of Apache Lodge No. 69. It’s legacy I will carefully preserve and will never countenance any deviations from its beloved traditions. I know that it will be a successful and productive year for our lodge, especially with the combination of the new generation of brethren we have in line who are zealous and willing to learn and our Lodge Elders who continue to provide education, guidance and inspiration to our new members. This is a powerful combination and it gets me excited to manage the lodge and make it work. I am counting on each and everyone’s help and cooperation to bring the Lodge to the next level!!! Have a safe, joyous and prosperous New Year!!!

Greetings from the East

Greetings Apache Lodge Brothers,

The goal points this coming year to be accomplish;
1. Reduce the Secretary operating cost from the previous year.
2. Inventory all Apache Lodge equipment/supplies and develop a sign out/in log for same as required.
3. Create a log of Apache Brothers who possess keys and/or key cards.
4. Clean, inventory and organize basement store room.
5. Establish a calling tree and then insure that each Brother is contacted at least once per quarter on a health and welfare call.
6. Confirm with each Brother bi-annually their info is correct as shown.
7. Create a open line of communication between Oriental and Apache secretaries and other Lodges secretaries.
8. Repair/replace office ceiling light and produce a key for our small office storage room.
9. Clean/paint office to better represent our Lodge to Grand Lodge, Brothers and guests.
10. And finally, to try and learn all I can over the coming year to hopefully approach the standard set by Brother John. This will take time, but as in all things, the first steps are the hardest and the last will come rapidly and then it’s done. It’s going to be a rocket ride of a year.

Fraternally,

Ross Carballo

Brethren,

As the Masonic year comes full circle, so comes the changing of the guard.

I would like to thank the Brothers of Apache #69 for your support in this year’s elections. I consider my position in the West to be an honor, and I will try to do a good job as the Senior Warden this coming Masonic year.

The past several years have been good for the Lodge, and that is through the hard work of a growing number of bright and energetic Masons. We have taken some tough losses, weathered some hard times, but you know that just makes us stronger.

I am looking forward to a productive year of ritual work and the enjoyable brotherhood of the Lodge.

Jeff York
Senior Warden
